PASS PERFORMANCE

Our School Middle Schools with Students Like Ours Middle schools statewide

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

END OF COURSE TESTS - 2010

% of students scoring 70 or above on:	Our Middle School	Middle Schools with Students Like Ours
Algebra 1/Math for the Technologies 2	100.0	89.1
English 1	N/A	87.6
Physical Science	N/A	42.1
US History and the Constitution	N/A	N/A
All Subjects	100.0	87.7

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Number of surveys returned	35	72	19
Percent satisfied with learning environment	88.6%	83.1%	73.7%
Percent satisfied with social and physical environment	91.4%	85.7%	73.7%
Percent satisfied with school-home relations	70.6%	83.1%	73.7%

*Only students at the highest middle school grade level at this school and their parents were included.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Whale Branch Middle School completed its most successful school year in the history of the school. This year, the main highlight was that the school made Adequate Yearly Progress, making us the first middle/secondary school in Beaufort County to accomplish this great feat. The school was named a Red Carpet School, recognizing climate transformation of the school. Our 7th graders published their first book, entitled "Who Am I." Whale Branch Middle School completed its second year of the STEM Initiative geared towards the natural curiosity and creativity of children by using the natural resources of the campus. Whale Branch Middle School's Robotics Team came in second place in the regional competition held at Clemson University and 11th overall, the best in the team's history.

Teachers continued to inform their decisions about the students' strengths and challenges through using Measurement of Academic Progress. This data was used to increase student achievement and to ensure each student met their 1.5 years growth.

We put into practice the 16 Habits of the Mind training for staff and students to build high expectations and character for all stakeholders. Also, we implemented Stephen Peters' renowned Gentlemen's Club for our young men in order to teach the characteristics of being a gentleman. The young men met every Monday to discuss these traits and set goals and aspirations for the future. We also put into action the school's first Safety Patrol Program to build character and respect for the law.

Again, we were able to serve half our student population through the 21st Century After-School Program and assist with homework and build those Math and ELA skills for our students. Also, students were taught about nutrition, character, setting goals, and how to be champions of the environment.

Professional Development is always a key component in supporting teachers to increase student achievement. This year, Whale Branch Staff completed staff development in technology, MAP, TAP, Literacy, Math and Science, Habits of the Mind, Everyday Math, Reading Strategies, and ongoing curriculum trainings.

In our efforts to continue to build home and school relationships, Whale Branch Middle School Staff continued our Literacy Nights, Math and Science Night, STEM Showcases, and our Orca Related Arts Showcase. We put into service a Parent Information Resource Center (PIRC) for special agencies, parents, and students. The PIRC room allows all of our stakeholders to receive and give information in a home-like setting. Other events included the Faith Leaders Luncheon, Parent to Parent trainings, and orientation for 4th graders.

The staff and students of Whale Branch Middle School continue to promote excellence in teaching and learning. As a community of learners, we understand the new challenges and seize every opportunity to attain success in every classroom. We know, The Best Is Yet to Come.
